*in a world subtly tinged
with those sometimes pleasant
and sometimes painful memories
of days gone by,*

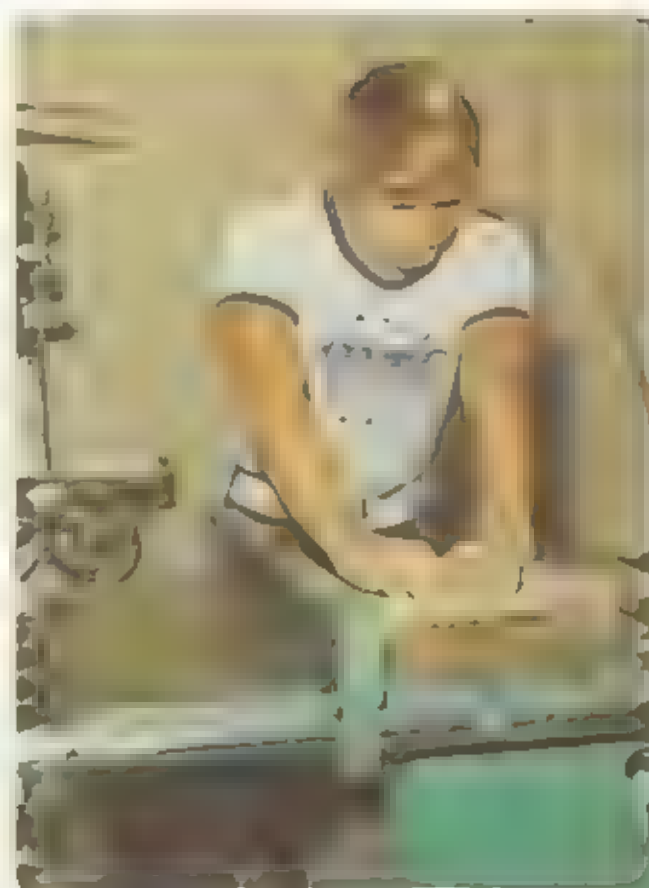

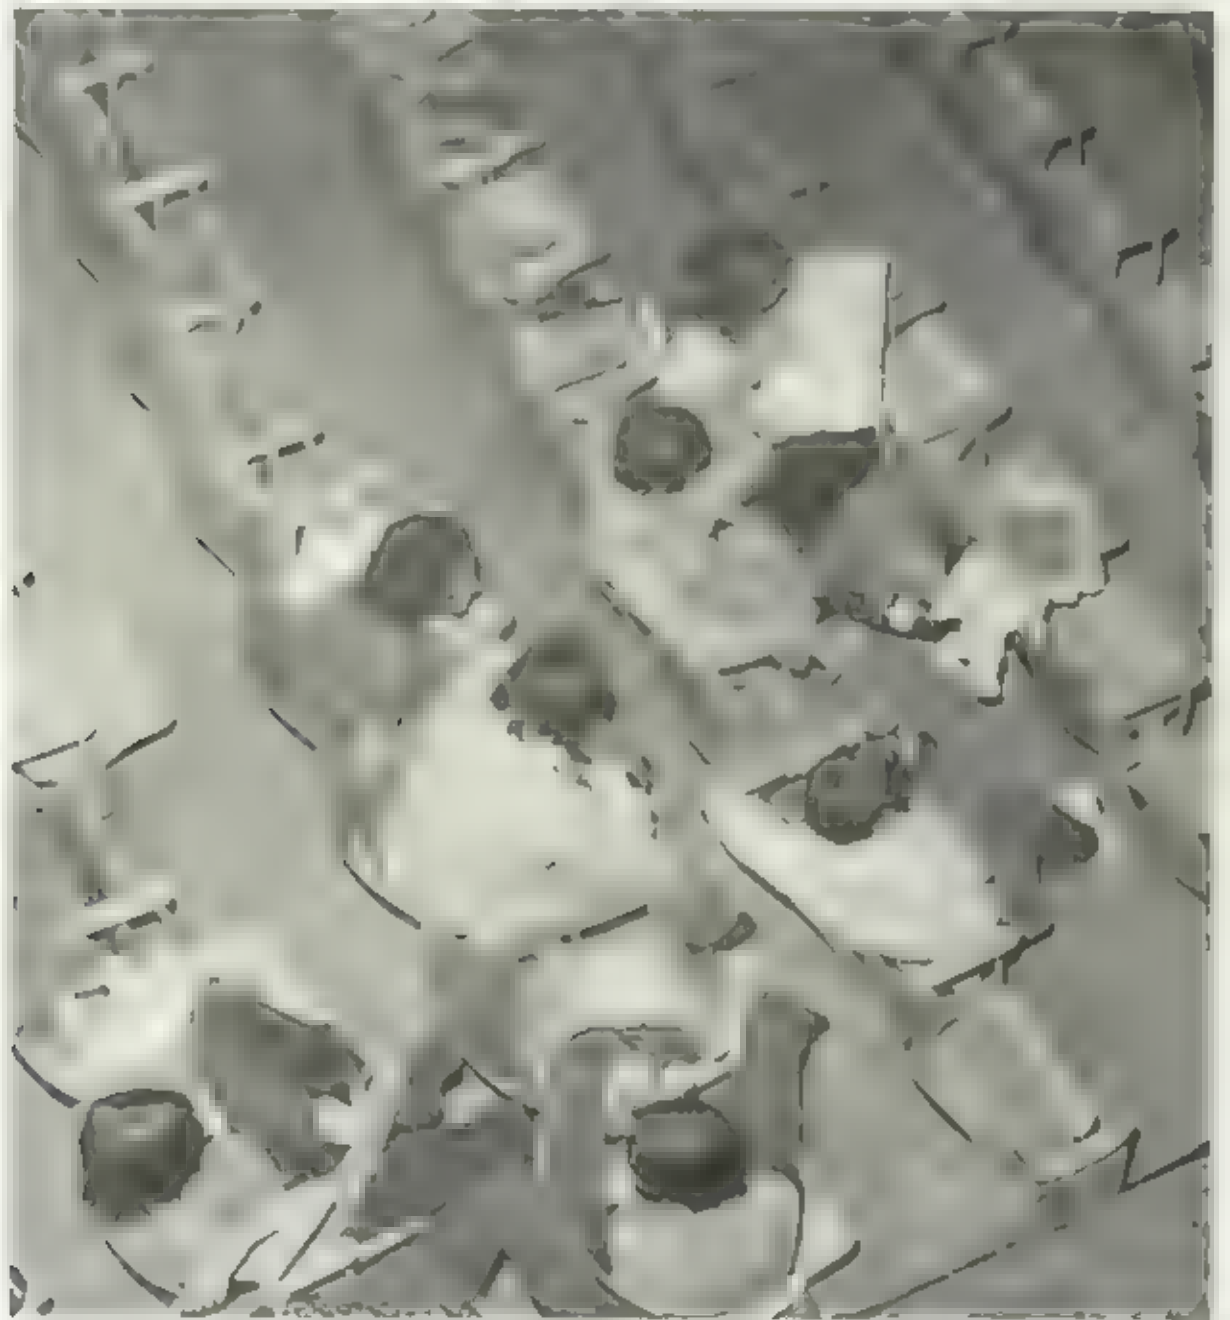

*we, the individuals who unite
as one whole to form today's
banks high school,*

build our lives and our futures.

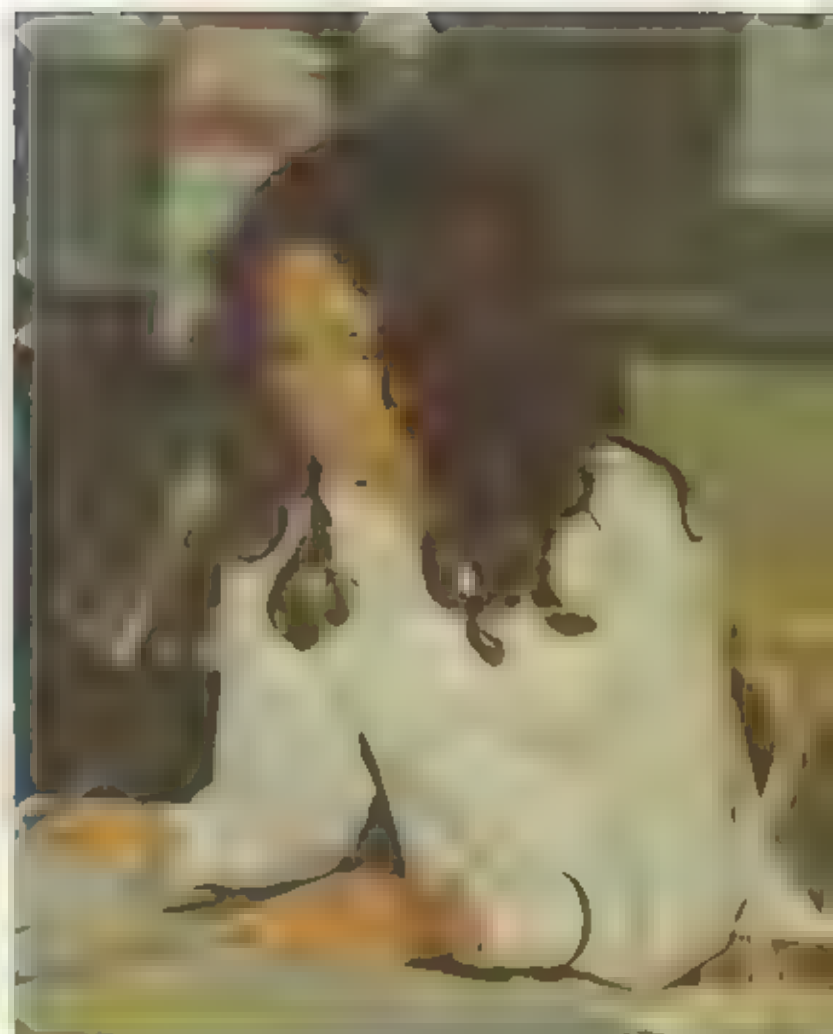

*sharing with one another
the short and precious years of youth,*

*we live
and learn
and grow,*

*giving of ourselves
and "seeking the quest"*

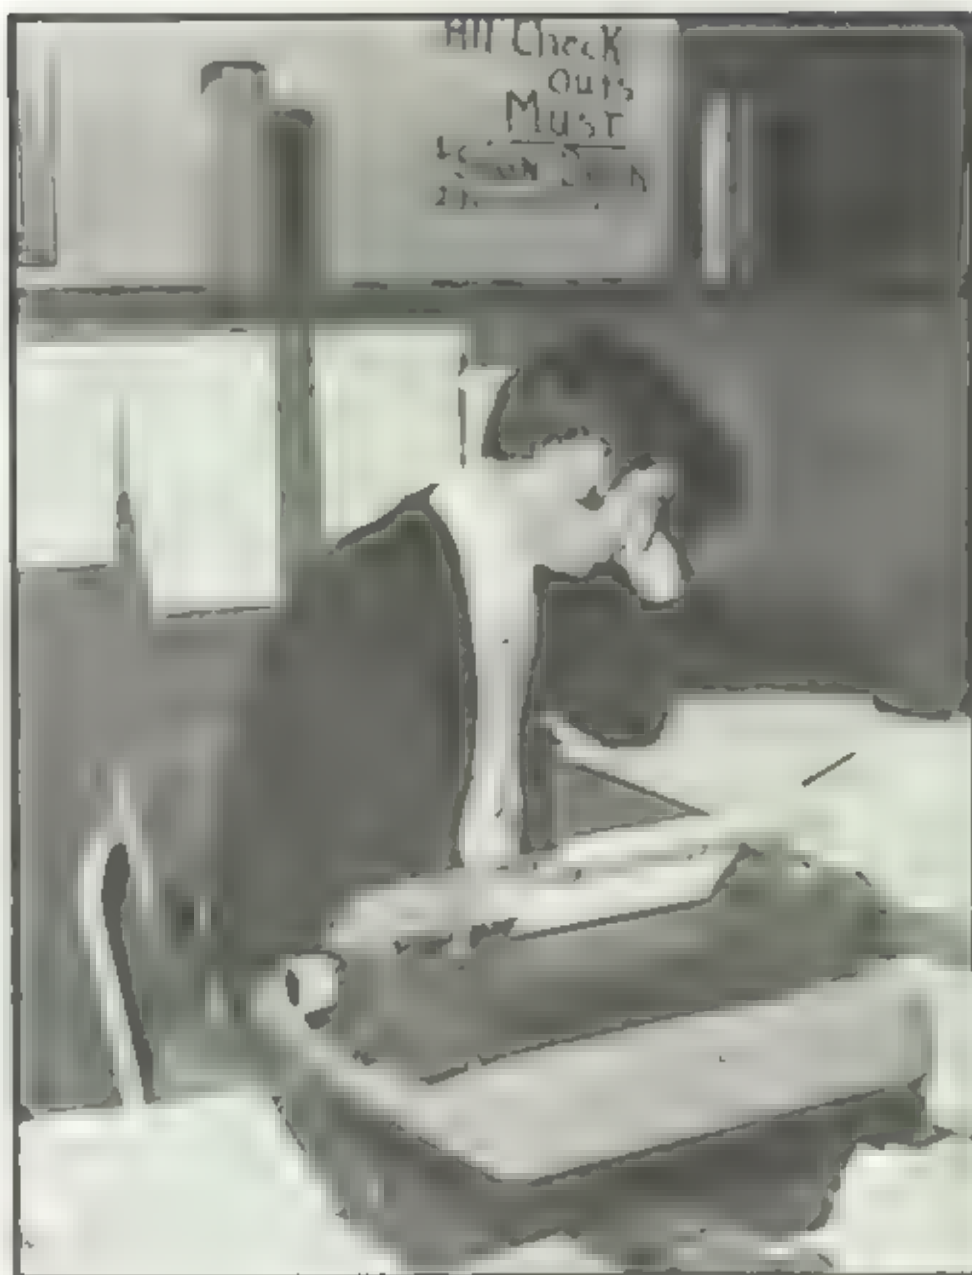

. . . together.

DEDICATION

We, the members of the *1973 CONTRAILS* staff, take pleasure in dedicating this book to one who is well-known as an involved and spirited member of our faculty and as a very special friend to all the students of Banks High School. With a warm feeling in our heart and a smile on our face, we dedicate our time, our efforts, and this, the *1973 CONTRAILS*, to the first Banks alumnus ever to receive this honor

.....

Coach Mike Dutton.

ACTIVITIES

STUDENT GOVERNMENT

KYLE WELLS,
President

VICKI LOVE, Girls' Vice-President

JIMMY HOLCOMB Boys Vice President

DAVID MARSH, Treasurer

MARTHA DUBOIS, Secretary

These students were elected by the entire student body to hold the offices of President, Girls' Vice-President, Boys' Vice-President, Secretary, and Treasurer. Throughout the year they work together and separately to serve as the nucleus of student body government. Such responsibilities as representing Banks at other schools, presiding over assemblies, planning activity period programs, and handling student government finances are among those held by these officers.

This year the officers have worked closely with the new administration and many advances have been made. Among these are the changing of the dress codes, improved relations between students and faculty, and a greater social unity among students.

In addition to publishing a monthly newspaper, members of this year's *Banks' Notes* staff have participated in journalism clinics held at Jefferson State and the University of Alabama. The paper has also been entered in various competitions with other high school newspapers. The December issue won a statewide anti-smoking and air pollution contest sponsored by the Alabama Anti-Tuberculosis Association and the Columbia Press Club of New York and went on to represent the state in the national 1973 Columbia School Press Project. Other competitions entered included one sponsored by the National Conference of Christians and Jews dealing with brotherhood and a contest sponsored by the Alabama High School Press Association to find the best overall high school newspaper in the state.

AUDIO-VISUAL CLUB

The Audio-Visual Club is a service club consisting of members who are interested in operating the school's projectors and sound equipment. The Audio-Visual Club first began as a science club in 1957, but as the need for trained personnel grew, the club formed a separate organization. All school productions, band or choral concerts, and meetings in the school auditorium use the services of the Audio-Visual Club. The Contrails staff would like to extend a special thanks to this group for their volunteered efforts on the Contrails pageant. Miss Jennings is currently the club sponsor.

The "B" Club also aids the school greatly. The members engage in school activities of every kind and also raise money for needed athletic equipment. The "B" Club tries to instill in an athlete a desire for excellence in his chosen sport. The club sponsor is Coach Foster.

The '73 Award is presented to the runner-up of the Key Award. This year's winner was Kyle Wells, Student Body President.

MARCH OF DIMES COMMITTEE

The March of Dimes Committee works very hard each year to raise money and to promote the Miss March of Dimes contest. The Committee reached its goal this year only with the help of the student body. Special recognition should go to the Freshman and Sophomore classes and to the O Club for their hard work. As faculty advisor, Mrs. Hatch has showed continuous interest in the Committee and especially the cause.

Row 1: Jimmy Ingram, Donna Downs, Jack Howard, Teresa Boize, Jeff Rutledge. Row 2: Sue Koske, Sally Green, Joyce Loosno, Debbie Dodd, Bryon Morgan. Row 3: Judy Owers, Mike Robinson, Debbie May.

MISS MARCH OF DIMES

This year's Miss March of Dimes is Debbie Ingram. Much thanks and recognition goes to Debbie since this is the second year in a row she has won, and she collected more money this year than last.

GOOD CITIZENSHIP GIRL

Five girls were nominated by the Faculty Awards Committee to serve as Good Citizenship Girl. Then the Senior Class voted for one of the five. This year's well-deserving winner was Karen McCaffery.

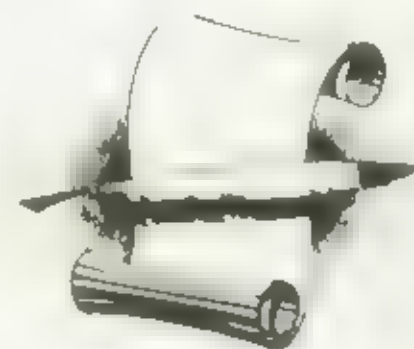

QUILL AND SCROLL

Seated: Sarah Eason, Kyle Wells. Ann Buchanan, Diane Sheffield, Janis Brasher, Sonon Rogers, Martha DuBois. Standing: Rudy Rose, Mark Yarborough, Karen McCaffery, Linda Arledge, Janet Netswender, Melinda Gibbs, Terry Cox, Terr Littlejohn, Jane Murphy, Jewe Maudin, Esther Morrow, Not Shawn, Edwin Abernathy.

Quill and Scroll is an International Honor Society for high school journalists whose purpose is to encourage and reward individual student achievement in journalism. The society has always taken an active part in raising the standards of school publications and in directing the course of scholastic journalism.

In order to be selected for membership, one must either be a Junior or Senior in the upper third of their class in general scholastic standing for the cumulative total of all their high school work; and they must have done superior work in some phase of journalism or school publication work, such as writing, editing, business management, or production.

LATIN HONOR SOCIETY

Banks, in May, 1972, received a Charter from the National Latin Honor Society. Members from second, third, or fourth year Latin classes who have maintained an A average are chosen as members and receive a certificate and membership card. The Charter and Certificates carry the APSC seal. These letters stand for Association for Promotion of Study of Latin. Banks Chapter is MCCCXXXVII or 1337

BOYS' STATE

Jeff Aaron and Bryan Morgan represented Banks this past summer at Boys' State. They stayed at Samford and then visited the State Capital in Montgomery. They come home with a better understanding of our State and Local Government.

GIRLS' STATE

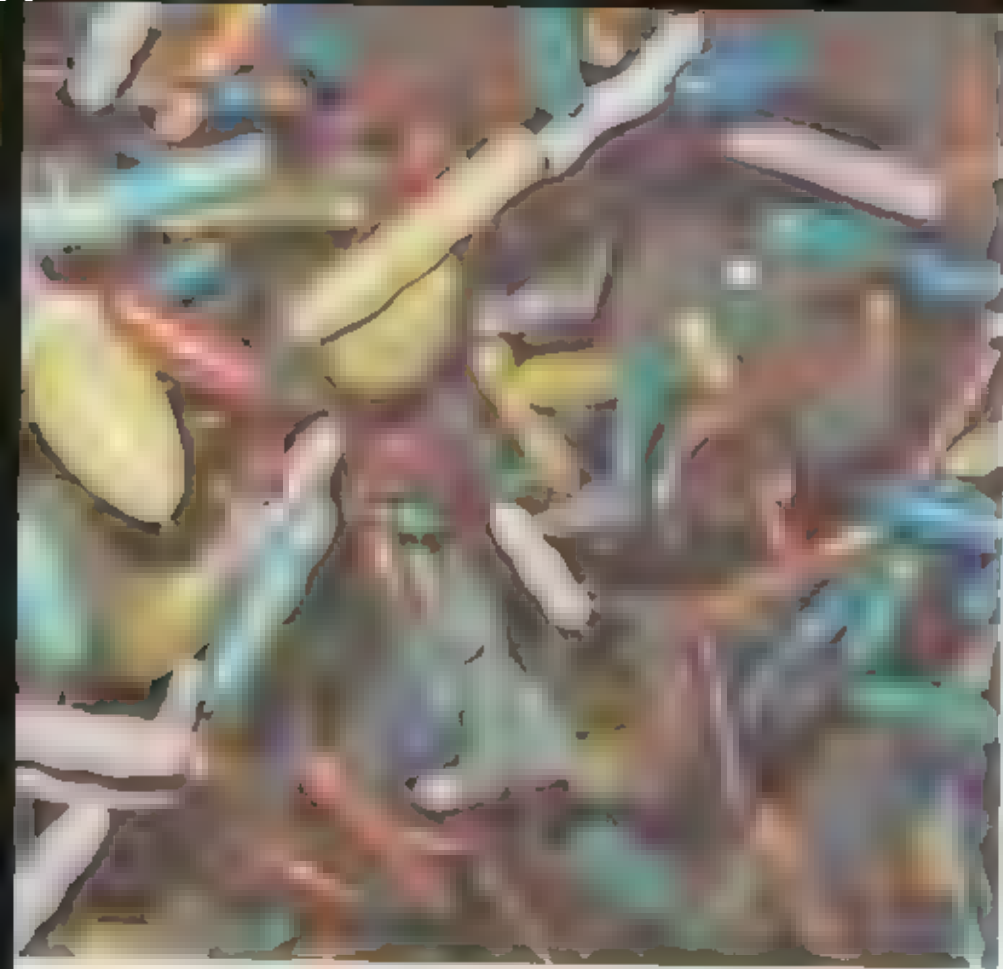

Girls' State was held last summer at Huntingdon College in Montgomery. The girls who participated set up mock governments on the State, City, and County levels. Banks was represented by Carol Linder.

NATIONAL MERIT SEMI-FINALISTS

Banks was fortunate enough to have three girls recognized as National Merit Semi-finalists this year. Elizabeth Dykes, Sarah Rogers, and Miranda Gibbs were selected for their exceptional scores on National Merit Semifinal Qualifying Test and Scholastic Aptitude Test.

WE ARE NUMBER ONE!

Spirit and sportsmanship have always been the key factors in athletics. This year Jet spirit and Jet sportsmanship outrated all others. This is what made us champions

The first two victories for the Jets gave evidence of a superb offense with scores of 56-0 over Carver and 42-0 over Ramsay. The defense, however, showed what they were made of, too, by holding both of these teams to a -30 yards rushing. In game number three with the Berry Bucs, the Jets made an exciting comeback with just 33 seconds left to play to end up on top 6-2. Banks had to come from behind again in the West End game, but the victory was a decisive 22-14. After two catch up games, the Jets won over Mountain Brook in the first half with all of their 21 points scored in this time. The Spartans bounced back late in the fourth quarter with 7 points, but victory was again ours. The state's No. 1 Class 4-A team rolled to a 41-19 win over Ensley in a game that featured fumbles, interceptions, blocked punts, and even some moments of outstanding play. The Jets had a late start but pulled out a 19-0 victory over Jones Valley. The Homecoming crowd was not disappointed as Banks bombed the Colonels 27-6. In the battle with Huffman, Bank's defense turned offense with 13 points of its own. The offense began moving in the second half to secure a 23-6 win over the Vikings. The clinic Game was a heartbreak for all with a 14-14 tie. Berry lost a playoff spot and Banks moved into the playoffs as No. 4. In the first round of the playoffs the Jets came from behind once more to beat Davidson 20-20 in overtime. The Jets defeated Tuscaloosa 21-0 in the second round of the playoffs. This put Banks in the championship game. Many people believe lightning does not strike twice in the same place, but Huffman is convinced it can after losing the 4-A State Championship with a 34-8 loss.

These outstanding players from our championship team signed with S.E.C. teams: Johnny Gunnels, Fred Dawson, Danny Neal, and Danny Collins — University of Alabama; Gary Gustin — Auburn University; Rodney Johnson — University of Georgia. Coach White also deserves recognition for being named as Coach of the Year.
